Dear Patients,

In order to continue improving our services to patients, surgeries in the area take part in both clinical and non-clinical training throughout the year. Due to the training, the surgery will be closed in the afternoon from 12:30 on the following days:

- **Wednesday 3 April 2019**
- **Thursday 16 May 2019**
- **Wednesday 17 July 2019**
- **Thursday 19 September 2019**
- **Wednesday 20 November 2019**
- **Wednesday 5 February 2020**

Please phone 111 during that time if you need urgent attention.

We will be operating a same day service on these days; there will not be any appointments bookable in advance on these days.

Thank you for your understanding.
